ADMISSION ELIGIBILITY CHECKLIST

Check Box	Admission Requirements
	You have earned a baccalaureate degree in nursing from an accredited college or university by the time of enrollment to the MSN-CNL program.
	You have a cumulative grade point average of 3.00 or greater from your undergraduate degree.
	You are licensed as a registered nurse; and that your license is currently active, unrestricted or unencumbered from your home State.
	You have secured two letters of recommendations from any professional associates familiar with your work as a registered nurse; and other related credentials.
	You are a United States citizen; or a permanent resident.
	You have a government issued identification (Driver's license, passport, U.S. military ID, etc.).
Graduate of Foreign Nursing Schools (LECOM Policy)	
As a foreign graduate of a nursing school, you may be eligible for review, evaluation, and acceptance into the graduate nursing program.	
	You have applied to an active affiliate of the National Association of Credential Evaluation Services (www.naces.org) for a course-by-course, science-by-science equivalency evaluation. If you have checked this box as complete, please request to send your evaluation directly to LECOM's Admissions Department; along with your certified true copy of your transcript of records.
	If your undergraduate curriculum and instruction in nursing was not conducted in English, a translation of your transcript of records and credentials must be secured from an agency affiliated with the National Association of Credential Evaluation Services (www.naces.org).
	If English is not your native language; or if English is not the basis of the undergraduate degree in nursing curriculum and instruction as reflected in the official transcript of records, you are required to pass the Test of English as a Foreign Language with a minimum of B (20 points in reading; 20 points in speaking; 20 points in listening; and 20 points in writing).
